Dear School Administrators, Faculty and Staff,

Is there something that your school needs that would make it better? A better place to work, teach, learn and excel? Well, Remington College would like to adopt the school’s needs with a donation worth up to $2,000!

Your local Remington College is launching an Adopt Our School program as part of the Remington College Reaches Out initiative that hosts community-based events like complimentary haircuts, volunteering, providing educational seminars, job fairs, blood drives and a variety of other outreach activities. The Adopt Our School program is a way to give back to local public schools. This initiative is intended to help provide supplies to the schools in our community, so those most worthy can receive the much-needed help they deserve.

Tell all stakeholders involved in the planning or operation of your school. Don’t turn in this homework assignment late—you stand to earn lots of extra credit. Deadline to submit your online nomination form is 11:59:59 A.M. Sunday, February 28, 2010.

To learn more about the Adopt Our School program deadlines and criteria, see the letters, posters and process following this intro letter. Or go directly online and fill out the nomination form to enter your school, go to www.AdoptOurSchool.com.

Good Luck on your School’s Adoption,

Your Local Remington College

About Remington College
Remington College is a common name used by all 20 campuses of a group of affiliated companies of privately-owned, post-secondary educational institutions based in Heathrow, Florida. Through its campuses, Remington College offers diplomas, bachelor’s and associate’s degrees in a variety of fields, including: cosmetology; nursing; healthcare; criminal justice; business; electronics; information technology; and more. Course offerings vary by campus. Remington College and its predecessor companies have been part of the higher education community since 1985.
